

To Whom it may Concern

September 2023

We are currently seeking sponsorship for our 2011 Junior boys team to have a new kit for the season ahead. The team is managed by Dean Craig and coaching staff includes David Morrow and Gordon Nicholl. The team currently plays in the NIBFA National League.

We would be grateful if you were willing to sponsor the kit as per the costs outlined in the sponsorship package brochure. We appreciate that times are difficult for business and hope that a sponsorship would be feasible, in return we will promote your business on our club app to all 700+ members and our social media channels.

It is thanks to sponsorships such as yours that we are able to provide football for 650 children from the Greater Lisburn area this year.

Thanks in advance.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Susan Jackson', with a large loop at the start and a long horizontal stroke extending to the right.
